

TEM Offer - Install Zoom Meetings and Zoom Outlook Plugin

WINDOWS Instructions:

This page was moved to kb.wisc.edu/134078
Click in the link above if you are not automatically redirected in 10 seconds.

Select the red "W" from the System Tray on the bottom right of the screen. This will launch the IBM BigFix Support Center. (see attached picture)

In the Offers tab, from the available list of software, select "Install Zoom Meetings", then below that select "Click [here](#) to accept this offer".

*** Important - *** After installation completes, Outlook will need to be restarted for Zoom plugin button to show in Outlook.

Note: It may take a several minutes to install. Click the Progress tab in the IBM BigFix Support Center window, to watch the installation progress.
