AOU Tablets - Connecting to WiFi

Tap the down arrow (upper right).

Select the gear symbol

Tap the Wi-Fi button

Available networks should show, select the corresponding choice to connect.

Note: You may see the following message: "Your IT Admin has restricted access to the app - CaptivePortalLogin"

Your IT Admin has restricted access to the app - CaptivePortalLogin
•

This can be <u>manually bypassed</u>, by opening the browser (Google Chrome) which should automatically load the portal page, needed for connecting to the available wi-fi.
