WI Partnership
Program

Brief Description	Overview of all grants associated with the Wisconsin Partnership Program (WPP)
Data Classification	Internal
Developer	Mehrnaz Ahmadi Joobaneh
Primary Audience	Wisconsin Partnership Program Administrators
Data Sources	<p>Data is being retrieved from different sources and loaded into QVDs in LOAD_WPP load app:</p> <p>Legacy data: A QVD has been created and loaded in LOAD_WPP load app.</p> <p>Blackbaud API Call: There are two calls. First one retrieves a Bearer token. Second one uses that token to retrieve data in multiple calls. Each call pulls 20 records.</p> <p>Dissemination REDCap data: This contains data manually entered throughout grants life cycle.</p> <p>Publication REDCap data: This is loaded once a year in REDCap.</p>
Data Load Schedule	Daily
Definitions	<p>PERC: Partnership Education and Research Committee</p> <p>OAC: Oversight and Advisory Committee</p>
Plans for Future Development	none at this time
Additional Notes	<p>For more information and objectives, please visit the Confluence page at:</p> <p>https://confluence.med.wisc.edu/x/KAA3AQ</p>
