HR Sensitive

Brief Description	Rate and Title information provided by the JEMS system
Data Classification	Internal
Developer	Shana Ullsvik
Primary Audience	HR Administrators
Data Sources	The core HR data is accessed by Brian Zimmerman from OHR/DoIT, created into a report and loaded into a shared Box drive with SMPH IT, and then loaded to Qlik on a monthly basis.
Data Load Schedule	monthly
Definitions	UDDS - A code that signifies the Unit/Division/Department/Sub-department.
Plans for Future Development	none at this time
Additional Notes	Data is loaded manually. The upload date will be indicated internally as a data field available in the App.
