Sign in to your UW-Madison Zoom account

Zoom Web Portal:

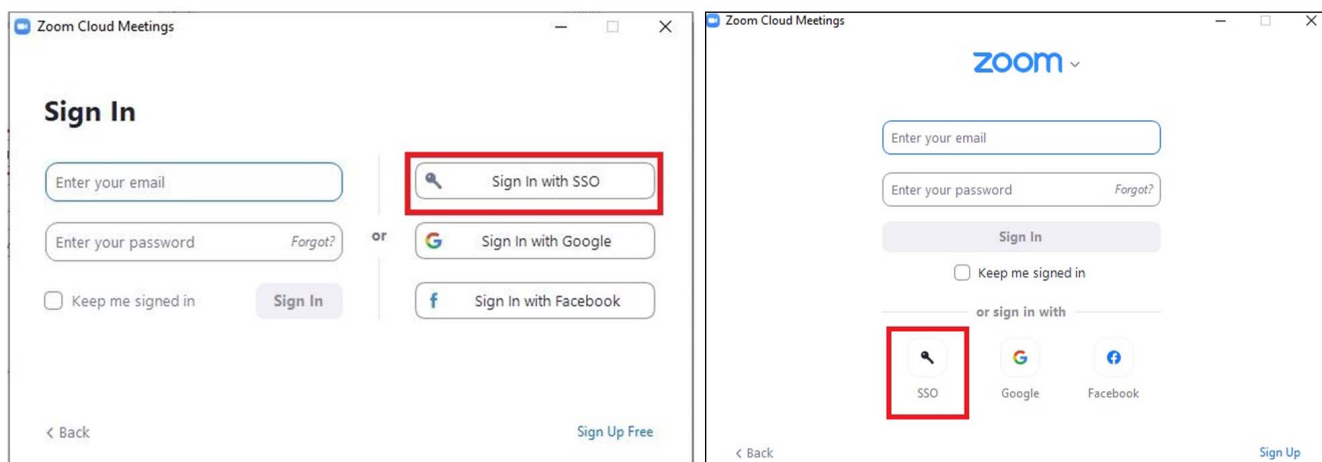

1. Go to <https://uwmadison.zoom.us>.
2. Click on **Sign in**.
3. If you are redirected to UW-Madison NetID login page, please enter your **NetID and password** credentials.
4. Upon sign in you will be taken to your **Profile page**. Highlights on this page include:
 - Setting your profile picture (persists through the Zoom platform).
 - Editing your Personal Meeting ID/Personal Link.
 - This is your personal dedicated virtual meeting space. You can use it at any time or schedule it for future use.
5. After configuring your profile, we recommend going to the **Meeting Settings tab** to configure your preferences based on how you would like to conduct meetings. [Learn more](#).

Zoom Desktop Client:

- Once the desktop client is installed, open Zoom Desktop Application, and click **Sign In**

- Click the **Sign In with SSO** option.

- If prompted to enter your domain, enter: **uwmadison**.

The image shows a Zoom Cloud Meetings window titled "Zoom Cloud Meetings". The main heading is "Sign In with SSO". Below it, there is a "Company Domain" input field containing "uwmadison" and a ".zoom.us" dropdown menu. A link "I do not know the company domain" is positioned to the left of a blue "Continue" button. At the bottom left, there is a "< Back" link.

- If prompted, enter your netid@wisc.edu email address, then click **Continue**.

The image shows the University of Wisconsin-Madison Login page. It features a red header with the UW-Madison logo and the text "University of Wisconsin-Madison Login". Below the header is a "Login" section with a "NetID" input field (containing "Ex: bbadger") and a "Password" input field. To the right of each input field is a link: "Forgot NetID" for the NetID field and "Forgot password" for the password field. A red "Log In" button is located below the password field.

- If prompted, enter your **NetID credentials** on the UW-Madison NetID login page. **Important:** If you are currently signed in with this same account on another device, you will be signed out of that device.
- We recommend going to the **Settings (within your avatar menu)** to configure your preferences based on how you would like to conduct meetings. [Learn more](#).
