Navigating the Grantee Portal

The Grantee Portal contains information related to a grantee's account within WPP's database. Within the portal, grantees will find information related to their organization, people, the applications they are working on or have submitted, any grants they may have been awarded, grant reporting requirements they may have to submit, etc.

The Navigation Bar

The Navigation Bar (see screenshot, below and to the left) allows you to quickly navigate to the various sections within the Grantee Portal. The Navigation Bar is further divided into 7 collapsible submenus (each denoted by the  arrow across from them on the right-hand side of the Navigation Bar).

Signing Out and Changing Your Password From the Grantee Portal

At the bottom of the Left-Hand Side Bar Navigation Menu, you'll find a small "gear" symbol. If you click on that symbol, a small, blue menu will appear giving you the options to **change your password** or **logout of the portal**. (Please also see the screenshot, below).
