

How to Submit a Requirement in Fluxx

First, follow the instructions found in the [Check Requirements in Fluxx](#) page.

In order to begin editing a requirement, you must click the **"Edit"** button found towards the top right-hand side of the requirement screen:

Enter the required information for the Requirement.

After clicking the "Edit" button, as shown above, read and follow the instructions provided at the top of all requirements/applications. Fill out the form /upload any documents required according to your instructions.

When you are done filling out information, hit **"Save and Close"** (see screenshot below).

Finally when you are ready, hit the **"Submit"** button on the bottom right-hand corner (see screenshot below).
