Streams, Stream Admins, and Published Apps in SMPH QlikSense

> ⓘ Note: Each central stream has a second stream with limited access reserved for sensitive data, so for example we have streams for both HR and HR - Sensitive.
> Apps that are in the sensitive stream are listed in *italics*.

To request access, please email data@med.wisc.edu and CC the relevant Stream Admin, noting name, netID, and stream being requested. See notes below each stream group for details on how access is determined.
