## TEM - Adobe Convert to Shared License on SMPH Managed Device

This page was moved to https://kb.wisc.edu/smph/internal/134225 Click in the link above if you are not automatically redirected in 10 seconds.

How to convert Adobe Named licensing to Shared on SMPH managed device

## Step-by-step guide

- In TEM, under Fixlets and Tasks, search "adobe convert"
- Select the Task and click "Take Action"
- Find the computer and click OK and enter TEM password to apply.

OR

- In TEM, under Actions search "adobe" or "convert" and find the SSIT-Win-Setting Adobe Convert to Shared
- Under "Source" select the Task "SSIT-Win-Setting Adobe Convert to Shared"
